

UC Courage Under Fire “Corey”

Foaled Date: 1998

Sire: UC Toranodo

Dam: Song of Courage

Partner and Family of: Sylvia Cooley

Corey was a brood mare at UConn having her last foal in 2018. She was also trained and ridden at UConn. I adopted her in July 2019 and brought her to my backyard barn in Leverett, MA. I have exercised her in my paddock and also trail ride with her. She is so intelligent and sweet (and of course beautiful). I have a 5 year old Jenny donkey (and may add an older QH gelding I may add to my herd.) I welcome any visitors! You can contact me via Facebook messenger.
