

# UC Perfect Stride “Strider”

Foaled Date: 2003  
Sire: UC Ringmaster  
Dam: Salem Sentana  
Partner and Family of: Stacy Moore

I've owned Strider since May 2017 but fell in love with him back in 2011. He was my lesson horse and Drill Team horse while I was at school. He's now enjoying a leisurely life where he works mostly as a hunter/jumper. He's been excelling at all coursework, the higher the better in his opinion, and even does so bareback and bridleless! He also likes trail riding, hunter pacing, and hacking out Western, and has taught a few beginners the reins.
